

ORF-ENTERPRISE LAUNCHES CONTENT LINE-UP FOR MIPCOM

The sales team of ORF-Enterprise travels to Cannes with the most recent release of its content catalog, offering an exciting array of content that spans across multiple genres and formats.

VIENNA/CANNES – Attendees at this year’s MIPCOM in Cannes will have the exclusive opportunity to explore ORF-Enterprise’s latest catalog. The Content Sales International team will provide insights into the exciting new titles, including factual tentpole-productions and brand-new drama series and movies.

THIS SEASON’S LINE-UP

This season’s scripted catalog shines with fresh stories and characters, along with returning fan-favorites. **“The Curious Cases of Gerti B.”** introduces seasoned police detective Gerti B., who is overlooked for a promotion and partnered with a younger colleague to investigate a murder in her own neighborhood. With Heidi convinced of the suspects’ guilt and Gerti doubting her aggressive methods, Gerti is not inclined to defer to the younger, more progressive superior, leading to a clash of personalities and investigating styles. **“School of Champions”** returns with a second season, presenting new challenges for the students of a prestigious ski academy with the arrival of a new star coach. In the eighth season of **“Fast Forward”**, detective Angelika Schnell faces both professional and personal challenges, as she must ensure the continuation of her new business model and come to terms with the idea of becoming a grandmother. Additionally, ORF-Enterprise is proud to include the Sky Original series **“Me and the Others”** in their sales portfolio. This mini-series delves into the relationship between the self and the environment, exploring how this dynamic shifts when one takes control of their own destiny. The result is a madcap, tragicomic satire featuring a brilliant ensemble and razor-sharp dialog.

UNIVERSUM Nature continues to excel as an award-winning blue-chip brand with new documentaries about wildlife and nature. **“Wildlife 2.0. – Adapting to a New World”** offers a glimpse into a tamed wilderness, highlighting how human actions affect landscapes and wildlife habitats. **“Tagliamento – King of the Alpine Rivers”**, follows the Tagliamento River through alpine valleys and alluvial forests, while the two-part series **“What Lies Below Lakes – Expeditions in the Deep”** goes beyond the surface of the waters, uncovering the secrets that lurk in the depths.

The latest additions to the **UNIVERSUM History** catalog continue to offer captivating insights into various historical periods and figures. The two documentaries **“Pirates of the Mediterranean – A Game of Greed and Power”** and **“Women Pirates – Rebels of the**

Seas” explore the thrilling and challenging lives of notorious pirates. **“Rebellion in the Brothel – Trafficking in Women Around 1900”** tells the story of prostitute Marie König, whose uprising against abuse and exploitation triggered a Europe-wide discourse. Lastly, **“Mothers of the Minotaur – Reign and Ruin of the Minoans”** investigates the mysterious Minoan civilization of Bronze Age Crete, focusing on recent scientific discoveries and re-enactments to understand their society and downfall.
