

HERBERT VON KARAJAN

HERBERT VON KARAJAN - PROFILE

45 min. / 61 min. / 89 min.

On the occasion of the 10th anniversary of Herbert von Karajan's death in 1999, director Gernot Friedl produced an extraordinary portrait of the conductor. Current events, family, tradition, career, successes, setbacks, criticism, his role models Arturo Toscanini and Richard Strauss, his quest for power and his vanities, preferences, rivals and disappointments all document the multi-faceted life of the artist.

THE PHENOMENON KARAJAN

58 min.

In this portrait, Uli Märkle, a longtime Karajan associate, depicts his cooperation with the Maestro, whose total dedication to music was next to proverbial. Uli Märkle describes a humorous man with many interests, who liked Westerns and preferred "Bratwürstel" to all other dishes. The newly found film cuts show Karajan with Nicolai Ghiaurov as Don Giovanni in Salzburg, Jess Thomas as Siegfried and Grace Bumbry as Carmen. Rehearsals of Telemondial concert productions that were first presented at the inauguration of the Karajan Center, are integrated into this ORF production. This Karajan portrait also includes interview clips that Heinz Fischer Karwin recorded with the famous conductor.

NEW YEAR'S DAY CONCERT 1987

97 min.

Herbert von Karajan conducted the world-famous New Year's Day Concert of the Vienna Philharmonics only once in 1987. In doing this he ennobled an institution that until then had perpetually been in hand of a single colleague. Then Karajan came, conducted and succeeded! Since then the star conductors change annually, today, one anxiously anticipates who will be the superstar the following year.

OPERAS

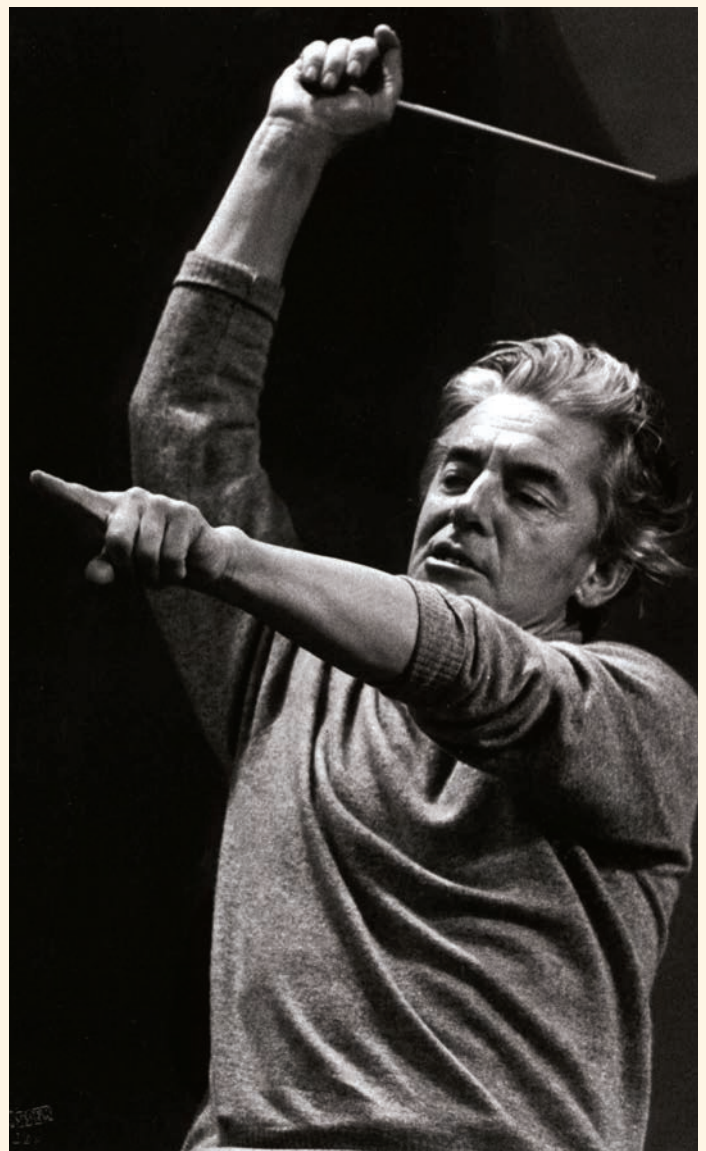

In 1982 Karajan founded Telemondial, and with the best studio technicians he once again started to produce sound recordings. Next to important studio productions of popular concert repertoires Karajan decided to integrate some of his favorite operas like "Don Giovanni", "Don Carlos", "Der Rosenkavalier" and "Falstaff".

REQUIEMS

Herbert von Karajan manifested a profound interest in sacred music. He always performed the Mozart, Verdi and Brahms Requiems with special care and attention. Verdi's *Messa da Requiem*, in particular, calls for top-quality operatic voices.

VIOLIN CONCERTS

Anne-Sophie Mutter embarked on her international career as a soloist in 1976 and made her debut in Salzburg at the Whitsun Concerts under Herbert von Karajan. With his support this exceptional musical experience made her one of the greatest violin virtuosos of all time.
