

SYNOPSIS

Vanishing Kings - Lions of the Namib II - The Musketeers' Legacy

Wüstenkönige - Die Löwen der Namib II

In the ancient Namib Desert, a young adult male lion roams across the desolate, barren plains. He has ended up in a place far away from home and is desperate to find his brothers, who went missing a few days ago. Wandering through the desert all alone, he has just started the journey of a lifetime. Will he find his brothers? Will they reunite? - Part II of the story about the «Five Musketeers» follows them on their dangerous first steps as adults.
